YOUR GUIDE TO CONSOLIDATED TV

DECEMBER 2011

Dear Consolidated Subscriber,

It's beginning to look a lot like Christmas—the TV schedule is filled with holiday programs to enjoy with family. In this December issue, you'll find highlights of the season including *It's a Wonderful Life* on NBC and nightly Christmas movies on ABC Family. You can also skate into 1967 by watching an old Andy Williams Christmas Special and learn to wrap holiday gifts like a pro thanks to HGTV. Is gold on your wish list? Check out *Gold Rush* on Discovery to see miners in action. Don't forget to vote for your favorite animated Christmas TV show in this month's poll.

Toy and Food Drive

Please help us help those who need our support this holiday season. You will be entered in a drawing for a new HDTV when you make a Donation of 3 food items and/or a gift of a new, unwrapped toy.

Drawing will be held December 21, 2011.
